

# RED SELECTUS

---

Red Selectus is of intense ruby red colour. On the nose it surprises us with notes of pepper, spices, combined with notes of black currant, raspberry, cocoa, and chocolate. The taste is full bodied with an elegant freshness, slightly noticeable tannins and a rich flavour. The aftertaste is slightly warm due to a higher alcohol content yet very pleasant and quite harmonised. It's a great, enjoyable red blend wine that will improve with time.
