

SIVI PINOT (PINOT GRIS)

Or Pinot Grigio is a gray-violet type of grape that usually results in white wine with onion orange shades of color. It doesn't have an impressive or unique flavor, but it does offer a refreshing twinkle of acidity and a rich fruity taste.

Our Pinot Gris has a vibrant straw yellow color, with a nice expression of onion orange shades.

The smell is intense, persistent and full.

It is predominantly fruity, reminiscent ripe tropical fruits (pineapple) and citrus (grapefruit). The taste is dry, nicely warm, fresh and mineral. It is balanced, fairly persistent with great elegance and harmony.

It is a great match with fish and delicate meat dishes.
